# FAQ

## Where is camp?

Camp Camby will be hosting our event. You will find Camp Camby located 20 minutes from downtown Indianapolis and just minutes south west of Interstate 465. It is easy to find.  
10616 East County Road  
Camby, IN 46113  
Camp Phone Number: 317-856-6055

## Shopping at camp

We will bring our scrapbook supply store to camp with us and there will be several vendors on site. We will no longer be running tally sheets at our events. All merchandise taken from the booth must be paid for when you purchase it. Creek Bank Creations will accept credit cards. I do not know about the other vendors. You should NOT plan on writing checks while at camp with vendors.

## Drink Service

We will have full service drink service at meal time. Meals will be served in a different building than we are crafting in. While we are in the crafting space there will be tea and water available. The soda fountain will be closed and no vending machines will be on. If you want pop to drink during your crafting time please plan on bringing your own. There will be a refrigerator and microwave available in our crafting space.

## Can I bring visitors to camp or children?

All Camp attendees must register. We do not allow people to "sit in" on our classes or crafting events. If you have a friend who wants to sit and craft with you they should register as a paying guest. We do not allow any children under the age of 11 to attend this event. Children over 11 may attend the event as a registered guest ONLY.

## What about Smoking and drinking at camp?

There is no smoking in the buildings at Camp Camby. Drinking is not allowed on the property. Please respect the camp and do not bring alcohol. There are to be no illegal drugs at the camp as well.

## Can I bring my heat gun and spray mist?

If you bring a heat gun or spray mist YOU WILL BE responsible to replace any and all things damaged by their use. Campers will be responsible for any property they damage while at camp. If you are bringing a heat gun please bring a heat proof mat.

## I have a small home based business or work with a direct sell company. Can I sell products at your event?

I limit the number of vendors at our events because I do not want our customers being asked for money all weekend. If you would like to vendor at our events you can contact me about paying the vendor fee. Please do not bring your merchandise to sell at camp. Please do not bring catalogs to take orders at camp unless you are vending.

## Music, Computers, TV, and WIFI

We do not play music at our events. I would prefer you leave your TV at home. All devices that are putting out sound must be used with headphones. Please be aware that singing with headphones on can also really annoy your neighbors. Camp does offer WIFI.

## Electricity

You may bring a 100 foot drop cord and multi plug for your machines. This is a large room. Please bring a 100 foot cord and a multi plug. You are required to tape down any cords that are exposed and people will have to walk over. The ONLY acceptable tape for the cord is gaffer tape. You should bring your own tape. It can be found online at amazon.

## Do you provide any tools?

We do not provide any tools. You should bring everything you need.

## Do you cover tables?

The camp has asked for us to cover the tables to keep glue and ink off them. Please bring your own table cloth to cover your table.

## What is the camp food policy?

The camp has a no outside food policy. We will have a snack area, so please bring a snack to share. No crock pots or refrigerated food can be left out. You can bring chips, candy, fruit or veggies.

## Where do I go when I arrive?

When you arrive you will drive straight up the main drive. We will be meeting and you will need to check in at the building called The Tabernacle. It is a large white building in the center of the property. We will have red balloons at that entrance.

## Can I attend this event if I am not from Indiana?

Yes! Come and join our fun!

Please label all your cords, cell phone chargers and tool before coming to camp. I have found metal rim string tags helpful for this use!

Each person will be expected to sign a waiver releasing Camp Camby of any responsibility if an injury or mishap occurs.
